KATIE DOUGHERTY
HEAD COACH
6TH YEAR

Katie Dougherty enters her sixth season as head coach of the Iowa women's tennis program. Dougherty is a 10-year coaching veteran in the Big Ten Conference, having spent time at Penn State and Wisconsin prior to arriving in Iowa City. Dougherty, a native of Ellicott City, Md., was named the University of Iowa's seventh women's head coach November 19, 2009.

Before Dougherty arrived on campus, the women's tennis program had advanced to the NCAA Division I doubles championship just two times. Dougherty doubled that number in her first two seasons, sending a doubles tandem to the NCAA tournament in 2010 and 2011.

In 2010, her first season at Iowa, the Hawkeyes reached No. 18 in the ITA national rankings, the highest ranking in program history, and earned the No. 4 seed in the Big Ten Championships. Dougherty guided Iowa to the NCAA Championships, ending a four-year postseason drought, and the team's 17-7 overall record made Dougherty the winningest first-year coach in program history. Under Dougherty's leadership, Iowa's No. 1 doubles team of Merel Beelen and Sonja Molnar earned the No. 14 seed in the doubles tournament at the NCAA Championships. The duo became Iowa's first doubles team to advance to the national championships since 2000.

Prior to joining the Hawkeyes, Dougherty served as assistant coach and recruiting coordinator at Wisconsin, where she managed the day-to-day operations of the women's tennis program and served as a co-director of Badger summer tennis camps. Her 2008 and 2009 recruiting classes received national recognition from Tennisrecruiting.net.

Dougherty served as an assistant coach at Penn State (2004-07) and American University (2003-04) before joining the Badgers. She helped guide American to the 2004 Patriot League title and automatic berth in the NCAA tournament. Dougherty has also gained experience beyond collegiate tennis, serving as a junior development coach at both the Four Star Tennis Academy in Merrifield, Va., and the Western Racquet Club in Elm Grove, Wis. At the Four Star Academy, Dougherty instructed a number of nationally-ranked juniors.

Before beginning her coaching career at the Western Racquet Club in 2003, Dougherty competed collegiately at Wisconsin (1999-2002). A four-year letterwinner for the Badgers, Dougherty finished her career with 45 singles victories. She was also a nationally-ranked doubles player, claiming 45 career doubles wins.

Since 2008, Dougherty has been a Professional Tennis Registry Certified Professional. She was a nationally-ranked junior player in singles and doubles and was the 1997 Baltimore Sun Athlete of the Year. She graduated from Wisconsin in 2002 with a degree in English.

DENISE DY
ASSISTANT COACH
1ST YEAR

Former NCAA All-American Denise Dy is in her first year as assistant coach at the University of Iowa.

Dy was a three-time All-American at the University of Washington from 2008-12, and reached as high as No. 3 in the ITA singles rankings and No. 6 in the ITA doubles rankings.

During her time as a Husky, she received the 2011 National USTA/ITA Sportsmanship Award and the ITA Arthur Ashe Jr. Award for the Northwest Region. She was named first team Pac-10 in 2011, second team Pac-10 in 2010, and academic All-Pac-10 in 2009.

After graduating in 2012, Dy worked at a variety of high performance tennis clubs and continued her playing career as a member of the Philippine National Team. She won a mixed doubles gold medal at the Southeast Asian Games in 2011, and a pair of medals at the 2009 Southeast Asian Games - a silver medal in doubles and a bronze medal in singles.

Dy is affiliated with the Professional Tennis Registry and has earned her Professional Level 1 Certification.

She graduated from the University of Washington in 2012, earning a Bachelor of Arts degree in Psychology with a minor in Military Science.

Gary Barta
Director of Athletics

Gary Barta is in his ninth year as director of athletics at the University of Iowa and his 27th year as a university leader. The 2014-15 athletics season at the UI will build on significant momentum gained a year ago as a result of multiple successes competitively, academically, and in positive community impact displayed by Iowa coaches, student-athletes, and administrators. Last year also included record-setting fundraising support and corporate participation, as well as the completion of facility construction projects critical to the long-term success of the Iowa Hawkeyes.

Progress and success on the fields, courts, tracks, and mats was significant in 2013-14. A return to participation in a postseason bowl game by the Iowa football team, a return to the NCAA Tournament by the UI's men's basketball team, a fourth place national finish in wrestling, the seventh straight NCAA Tournament appearance by Iowa women's basketball, an invitation to the postseason Big Ten Tournament by the Hawkeye baseball team, postseason NCAA competition for Iowa's men's golf, and the UI's men's and women's track and field teams, and a historic first time invitation to the NCAA Tournament for women's soccer highlighted the 2013-14 year competitively for the UI.

In fact, only six other programs in the country, in addition to the UI, had its football team appear in a New Year's Day bowl, and both its men's and women's basketball teams compete in the NCAA Tournament.

Academic success by the more than 600 student-athletes who participate in 24 sport programs has always been one of the very highest priorities at the University of Iowa and remains so today under Barta's direction. That commitment to the "student" in "student-athlete" resulted in a record-setting NCAA Graduation Success Rate (GSR) of 88, a mark that was a full seven percentage points better than the national average. The GSR's for Iowa's football (81), men's basketball (88), and women's basketball (91) programs all bested the national averages for their sport: 70, 68, and 86, respectively.

In addition, the NCAA's 2013 graduation report also revealed that Iowa's federal graduation rate of 72 was seven points better than its peers nationally and two points better than its peers on the UI campus. Paced by all-time high Academic Progress Report (APR) scores in nine sports programs, all of the UI's intercollegiate athletics programs were determined by the NCAA in spring 2014 to be achieving at a rate academically that surpassed the national benchmark.

Barta also believes strongly that his staff and student-athletes contribute to the community. That commitment manifests itself in literally thousands of hours of community service annually. The Hawkeyes' efforts in 2013-14 include a leadership role in "Herky on Parade," the largest public art program staged in the state of Iowa which the UI Athletics Department executes in cooperation with the Iowa City Coralville Convention and Visitors Bureau. It is anticipated that the Parade will bring tens of thousands of visitors to the greater UI, Iowa City, Coralville, and North Liberty community this spring, summer, and fall, and a six-figure contribution to the United Way of Johnson County and the United Way of Washington County when the project is completed.

The UI Athletics Department also stages an annual "Day of Caring" each April where student-athletes of all 24 of the UI's sports teams provide assistance to a wide variety of not-for-profit organizations. The UI football program also stages annually the Iowa Ladies Football Academy. That effort has generated more than $1 million of support for the new University of Iowa Children's Hospital.

These are two of the most public annual activities of community support by the Hawkeyes, who also make regular visits to the UI Hospitals and Clinics, and local elementary schools.

A closer look at the 2013-14 athletics year reveals the following successes:

- Tom Brands' Iowa wrestling team crowned one national champion and had six Hawkeyes earn All-American status en route to a fourth place finish at the 2014 national championship.
- Kirk Ferentz' Iowa football team doubled its win total from the previous season, won three "Trophy Games" – the Iowa Corn Cy-Hawk Series, Floyd of Rosedale, and the Hy-Vee Heroes Game – all on the road, and ended the regular season with victories over Michigan and at Nebraska en route to an invitation to the 2014 Outback Bowl. It marked the 12th bowl game and seventh January bowl game under Ferentz and signaled a return to the national stage for the Hawkeyes. It also came with an extra bonus: The Hawkeyes travelled to Tampa as one of just 17 bowl-bound college football teams with a Graduation Success Rate (GSR) greater than 80 (Iowa's was 81) and as the highest ranked Big Ten team participating in a bowl game, according to GSR.
- Lisa Bluder's Iowa women's basketball team won a school-record-tying 27 games – including 14 on Mediacom Court in Carver-Hawkeye Arena, en route to its seventh straight appearance in the NCAA Tournament, a number that only 13 other programs across the country can match. Postseason play was particularly fun for the Hawkeyes: Iowa won three games to advance to the championship game of the 2014 Big Ten Tournament and won its first round game in NCAA Tournament play for the second straight season.
- Fran McCaffery continued his revitalization of the UI's men's basketball program by guiding the Hawkeyes to their first NCAA Tournament in seven years. The Hawkeyes won 20 or more games for the second straight season and climbed as high as 10th in the national rankings. The Hawkeyes' 2013-14 season came to an official close in June when Devyn Marble was selected in the second round of the NBA Draft. Marble became the first Hawkeye selected in the draft since Adam Haluska's selection in 2007.
- Rick Heller surprised the country by guiding the Hawkeye baseball team to 30 victories and participation in the 2014 Big Ten Baseball Tournament – in his first season as the UI's head coach. It was Iowa's first appearance in the league's postseason tournament in four years. Five Hawkeyes were named All-Big Ten and three were selected in the 2014 Major League Baseball Draft.
- Mark Hankins' men's golf squad made it six straight postseason invitations when the Hawkeyes were sent to participate in the 2014 NCAA Regional in Columbia, Missouri. The Hawkeyes advanced on the strength of a regular season that included three first-place finishes and a third-place finish at the 2014 Big Ten Conference Championship, a performance that included the low team score for the event's final round.
- Long-time director of track Larry Wieczorek announced his retirement the week before Iowa sent 11

student-athletes to compete in eight different events at the 2014 NCAA Division I Track and Field Championships. The Hawkeyes responded with all earning All-America status, including senior Zinnia Miller, who was honored for her efforts in the long jump and triple jump, and freshman Brittany Brown, who was honored for her success in the 200-meters and as a member of Iowa's 400-meter relay team.

The year was also busy administratively for Barta with the hiring of a new deputy director of athletics – Gene Taylor, the long-time director of athletics at North Dakota State University, who began his career at the United States Naval Academy. Barta also hired Iowa City native Bond Shymansky to lead the UI volleyball program, another Iowa City native, Joey Woody, to fill the vacancy created by the departure of Wieczorek, and Dave Dilanni, the long-time coach of the NCAA Division II women's soccer powerhouse Grand Valley State to lead the Hawkeyes.

Shymansky has had tremendous success since beginning his coaching career at Iowa City High School, most recently as the head coach at Marquette University. Woody, a four-time All-American and world champion, has played an instrumental role in Iowa's recent successes on the track as an associated head coach for track and field for the Hawkeyes. Dilanni compiled a 221-18-18 record at GVS, guiding the Lakers to three NCAA Division II national chanpionships and seven Final Four appearances in the last eight seasons.

The Hawkeyes' success academically and in competition also fueled interest in the Hawkeyes to levels matched by less than a handful of Iowa's peers: The UI is one of only four programs in the country to have its football, men's basketball, and women's basketball programs all rank among the nation's Top 25 in attendance.

Iowa also once again led the nation in attendance for wrestling and continues to rank among the leaders in Facebook and Twitter measures, and also traffic to its official world wide web site, hawkeyesports.com. In fact, 2013-14 was the busiest athletics year in the history of hawkeyesports.com in terms of unique visitors (4.3 million) and the second busiest in terms of total pages downloaded (22.8 million).

Barta and his staff have successfully leveraged the burgeoning interest in the Hawkeyes to drive fundraising and corporate support of the UI Athletics Department to record levels. Private gifts to the National I-Club for annual giving and support of capital projects exceeded $28 million in 2013-14. Participation in the offerings of Hawkeye Sports Properties, the exclusive multi-media partner of the UI Athletics Department, resulted in a record $6.1 million of revenue in 2013-14.

These sources of income help Barta to fund an $85 million annual operations budget, a budget that is 100 percent self-generated – the UI receives no state tax dollars to operate its intercollegiate athletics program – and balanced in spite of scholarship costs that will easily exceed $10 million in 2014-15. The UI Athletics Department also is responsible for such things as medical expenses for its student-athletes ($800,000 in 2013-14), the cost of utilities to operate its facilities ($400,000 last year), and, of course, salaries and benefits for the more than 200 full-time employees.

Barta has also used private and corporate support to enhance the infrastructure used by Iowa's sports programs. For example, the Hawkeye football program will move into the $55 million state-of-the-art Richard O. Jacobson Football Operations Building, which includes the Stew and LeNore Hansen Football Performance Center, in late summer. To date, more than $35 million of private support has been generated for this important project.

Completion of the home of the nationally ranked Iowa football program will mean the UI Athletics Department will have invested more than $220 million in construction and renovation under Barta's leadership. The list of projects completed under Barta's direction includes an investment in technology at historic Kinnick Stadium that includes a new sound system to be installed prior to the 2014 season, construction of the Hoak Family Golf Complex, the revitalization of Carver-Hawkeye Arena, construction of the P. Sue Beckwith, M.D., Boathouse, the UI Athletics Department's contribution to the construction of the Campus Recreation and Wellness Center, replacement of the turf at Grant Field, installation of artificial turf at Duane Banks Field, and resurfacing of the outdoor courts at the Hawkeye Tennis and Recreation Complex.

The work is not complete, however. The UI Athletics Department this fall will begin installation of a new video wall, outfield fence, and artificial turf in the outfield of Duane Banks Field. Barta and his team are busy investigating the finalization of a master facilities plan that includes the expansion of "Hawkeye Campus," the current home of the Iowa field hockey and soccer programs, UI Sports Medicine, the UI Athletics Hall of Fame and Museum, a new indoor turf facility that also includes an outdoor surface to be used as the practice field for the Hawkeye Marching Band, and the Hawkeye Tennis and Recreation Complex located on the far western edge of the UI's campus adjacent to the UI's Finkbine Golf Course and near the UI's Ashton Cross Country Course.

Barta's involvement in the UI campus and the greater Iowa City communities extends far beyond his position as director of the UI's intercollegiate athletics programs. He is a member of the President's Cabinet, comprised of vice presidents and other campus leaders who provide counsel to UI President Sally Mason. That group was instrumental in the UI's response to record-setting flooding that besieged the campus and the Iowa City and Coralville community in June 2008 and will be directly involved in positioning the UI for growth in the immediate and long-term future as the institution adjusts to a shift in the funding model used by the State of Iowa's Board of Regents.

Barta also represents the UI and the Hawkeyes at the conference and national level. During his tenure at the UI, he has participated in the creation and implementation of the Big Ten Network, the expansion of the Big Ten Conference and realignment of athletics conferences nationally, and the Big Ten's postseason bowl game agreements that were successfully implemented in 2010.

Barta remains active on the Conference and NCAA level. He is involved in committee work with NCAA Football, the Division IA Athletic Directors Association, and is an ongoing participant in the National Association of Collegiate Directors of Athletics (NACDA).

Barta is also involved in a variety of community groups, including the United Way of Johnson County and the Partnership for Alcohol Safety, a joint effort between UI campus leaders and the city of Iowa City.

Barta often suggests to his staff that "Hope is not a strategy," which is why the Department has just completed a comprehensive review and rewriting of the strategic plan for the UI Athletics Department and continues to work with the UI's leadership on a long-term financial plan.

As the director of athletics at the University of Wyoming for three years, seven different UW coaches were named Mountain West Conference Coach of the Year. He also spearheaded a fund-raising effort that netted the Cowboy athletics program $11 million in private support and $11 million in matching state fund.

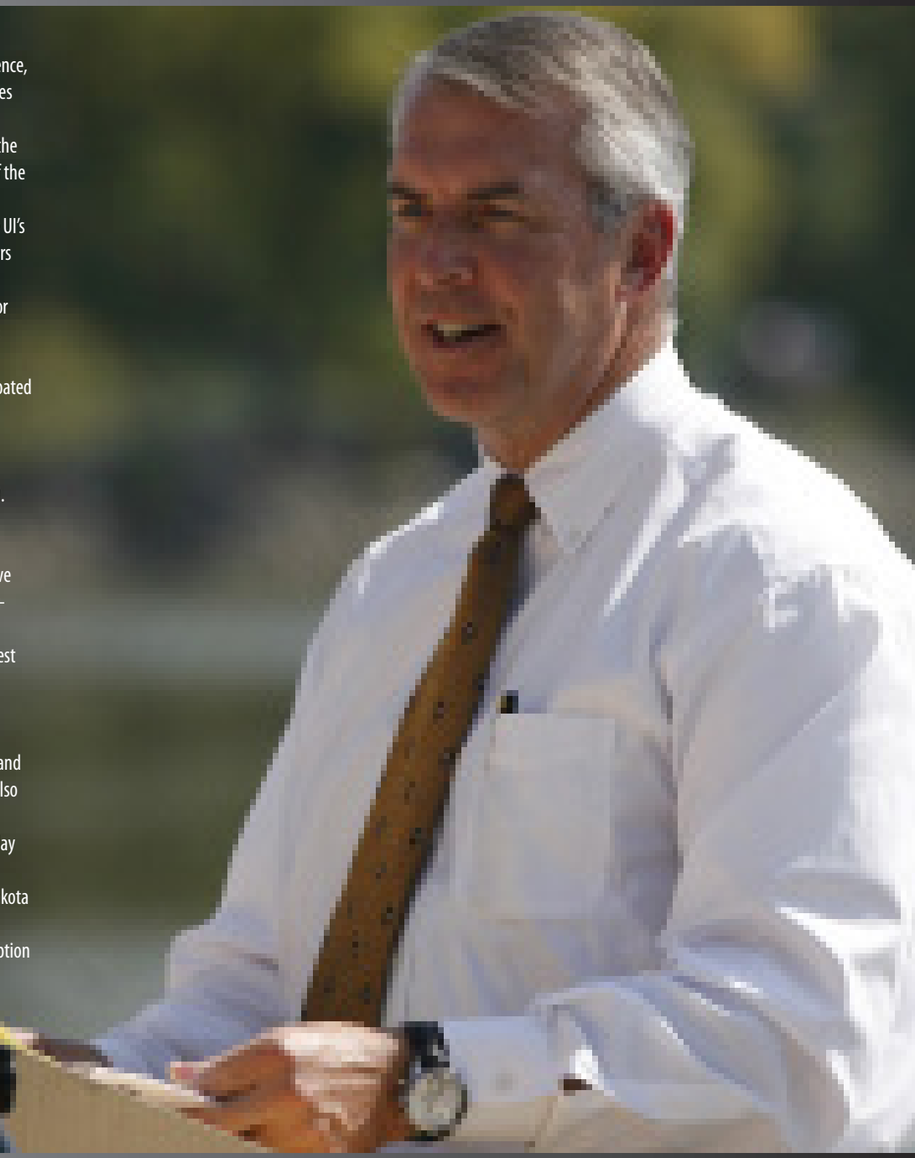
As the senior associate athletics director at the University of Washington, he directed the "Campaign for the Student-Athlete," was a participant in the design, construction and/or renovation of several UW athletics facilities, including Bank of America Arena and the Dempsey Indoor Practice Facility. In addition to almost doubling the amount of annual private support received by UW, Barta also managed the department's external relations division, a task that included corporate sponsorship and radio contracts.

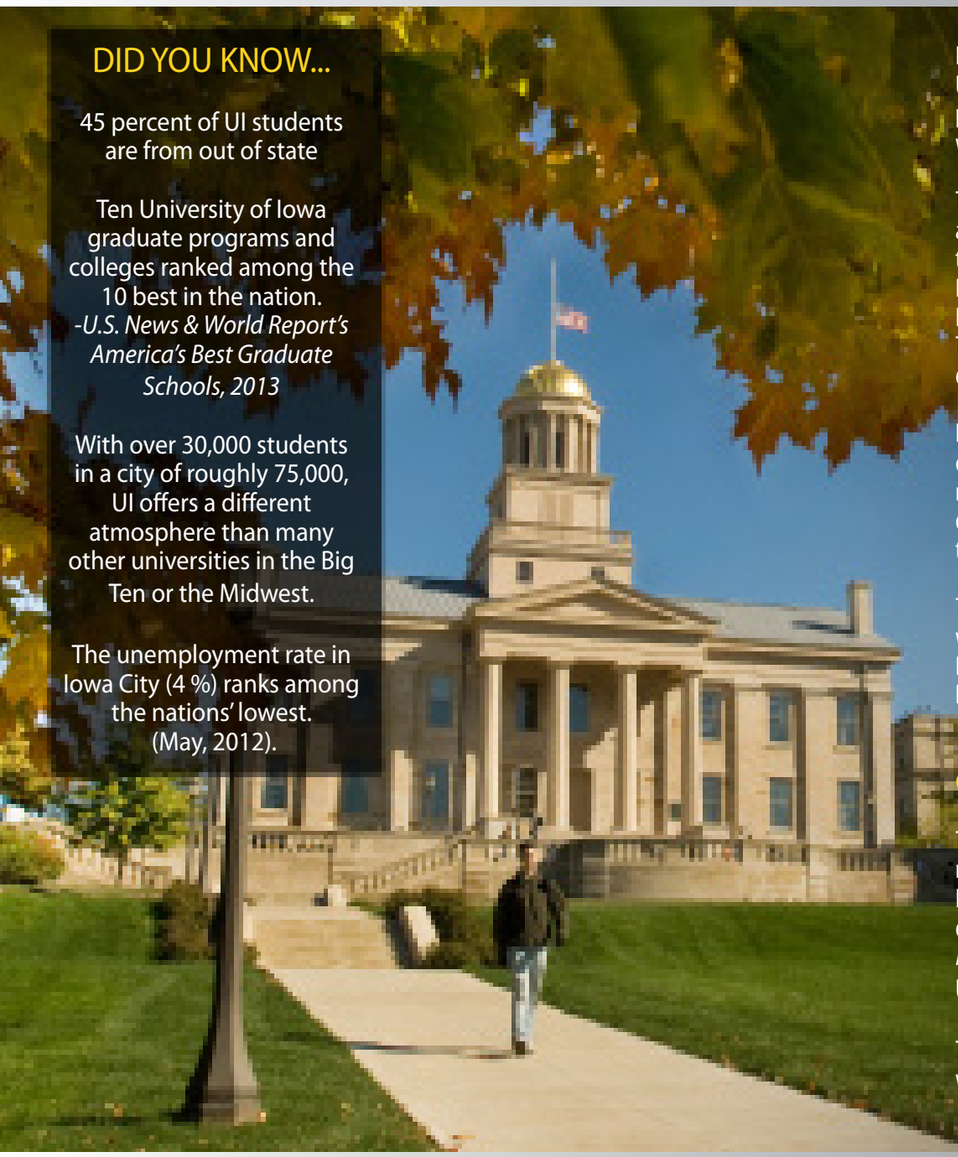
His responsibilities at Washington expanded over time to include hiring of coaching and administrative staff, and the day-to-day oversight of several Huskie sport teams.

The roots of his development experience extend to his first two positions: director of development at his alma mater, North Dakota State University, and director of athletics development and external relations at the University of Northern Iowa.

Barta earned a Bachelor of Science degree in mass communication and broadcast journalism from NDSU in 1987. He was an option quarterback for Bison football squads that won the Division II NCAA National Championship in 1983, 1985 and 1986.

Barta, and his wife, Connie, have a son, Luke (16) and a daughter, Madison (14). He was born Sept. 4, 1963, in Minneapolis.





DID YOU KNOW...

45 percent of UI students are from out of state

Ten University of Iowa graduate programs and colleges ranked among the 10 best in the nation. *-U.S. News & World Report's America's Best Graduate Schools, 2013*

With over 30,000 students in a city of roughly 75,000, UI offers a different atmosphere than many other universities in the Big Ten or the Midwest.

The unemployment rate in Iowa City (4 %) ranks among the nations' lowest. (May, 2012).

Building on a rich tradition of excellence and innovation, the University of Iowa is educating more than 30,000 students annually, preparing them for success immediately following graduation, as well as continued achievements throughout their lives.

The University of Iowa offers more than 100 areas of undergraduate and graduate study, including seven professional degree programs, through its 11 colleges: the colleges of Liberal Arts and Sciences, Business, Dentistry, Education, Engineering, Law, Medicine, Nursing, Pharmacy and Public Health, and the Graduate College. The University also provides on-campus and distance learning opportunities through its division of Continuing Education.

Long recognized as one of the nation's leading centers for the arts, creative writing, space physics, hydraulics, basic health and science research, and communication studies, the University of Iowa is also developing new strengths in informatics, nanoscience, simulation technology, and other fields.

The University of Iowa has maintained its tradition as an innovator with its pioneering work in speech pathology, science and medicine. It's also known internationally for being home of one of the nation's largest public university owned hospitals.

Cultural Diversity at the University of Iowa

The University of Iowa has worked hard to assure that students of all races, creeds, and backgrounds are represented in the student body. In the past five years, Iowa has moved aggressively towards its goal of creating communities of African American, Hispanic/Latino (a), Asian American, and Native American students, and making the University a stimulating, welcoming place.

The Center for Diversity and Enrichment is a coordinated university-wide resource for creating and maintaining this campus diversity and providing opportunities for all University students interested in other cultures. Scholarships, fellowships, and support programs help to make this possible. International Programs brings together scholars from around the world and UI students looking to expand their perspectives by studying abroad or exploring global issues on campus. International students at the University of Iowa represent more than 100 countries.

CONSIDER THE COMMUNITY

Some universities offer the large city atmosphere. Others offer the college town experience. The University of Iowa is uniquely situated to offer student athletes the very best of both of these different worlds.

Once the state capital, Iowa City is considered one of the truly great college towns in America. The city swells with excitement on game day when nearly 16,000 Hawkeye fans from across the state and Midwest converge on Carver-Hawkeye Arena to cheer the Hawkeyes to another victory.

Iowa City's downtown area is alive and thriving. Restaurants, shops and sidewalk cafes face onto pedestrian malls full of people watchers, street entertainers and food vendors.

Attractive in size and friendliness, Iowa City is big in the sense that it offers all the advantages and conveniences of much larger metropolitan areas like summer and permanent employment opportunities, live entertainment and concerts, fine dining and shopping, industry and commerce.

Iowa City is located in the heart of eastern Iowa, within easy driving distance of several major Midwestern cities including the state capital, Des Moines, as well as Chicago, St. Louis, Kansas City, Minneapolis and Milwaukee.

"Iowa City is unlike any other place in the state, both because of its regional beauty and because of its independent, serendipitous spirit.

There's nothing like feeling the crisp air as one tours the Big Ten campus, just as there's no other feeling like walking the shores along Lake MacBride, north of town. This is an ideal location for a weekend trip filled with sights, sounds, shopping and plenty of activities on any given weekend."

If there is a star in Iowa, Iowa City is it."

CAMPUS ON THE MOVE

The University of Iowa campus caters to pedestrians and bicyclists; it's compact enough to cross in a 20-minute walk. A free ride on a campus bus can cut that time in half. Entertainment on campus and in Iowa City is geared toward student budgets, with many events offered at no charge. The University of Iowa offers more than 400 student organizations, extensive recreation facilities, 50 fraternities and sororities, and a broad schedule of arts performances, lectures, cultural celebrations and club sports and intramural athletic contests to go along with the intercollegiate competition within the Big Ten Conference.

STUDENT-ORIENTED NIGHT LIFE

Iowa's campus is set right in the city's downtown area, where you'll find dance clubs, movies, coffeehouses, and restaurants to suit every taste. Live music can be found any night of the week in clubs and restaurants, even outside on warm evenings on the downtown pedestrian mall. Iowa City businesses are convenient and geared toward student tastes and needs.

CONSIDER THE OPPORTUNITY FOR A QUALITY EDUCATION

A quality education is one of the highest priorities at the University of Iowa. Just over 90 percent of Johnson County residents have graduated from high school, and in Iowa City nearly half of all residents have earned bachelor's degrees. In fact, census statistics indicate Johnson County is the 10th "smartest" county in the nation, based on percentage of residents holding bachelor's degrees.

The University of Iowa represents a strong presence in the community while enhancing the quality of life in Iowa City.

Your aspiration may be a career in medicine, law or education. Regardless of the specific career field, it's important to identify the college baseball program that places a high priority on academics and allows you to take full advantage of the tremendous educational opportunities available.

At the University of Iowa, student-athletes learn quickly that academic success is the highest priority.

ATHLETICS AND ACADEMICS

At The University of Iowa, a strong relationship has been developed between athletics and academics, where coaches and athletes work hand-in-hand with academic deans and professors, assuring the student-athlete the best possible opportunities to excel in the classroom and in athletics.

From the first visit for any prospective student-athlete, to the completion of their academic and athletic career at Iowa, academic personnel play a large role in the career of Hawkeye student-athletes. Beginning with the on-campus visits, student-athletes are introduced to professors in their selected field of study, and are able to establish a relationship and develop an understanding of the academic setting in which they will be involved.

THE RUSSELL AND ANN GERDIN ATHLETIC LEARNING CENTER

The University of Iowa Russell and Ann Gerdin Athletic Learning Center opened in the fall of 2003. The Learning Center is a multi-level, 20,000-square foot facility, which provides one all-purpose area for the academic pursuits for Iowa's male and female student-athletes. The facility is centrally located on the UI campus for easy access by all student-athletes and staff.

The Learning Center features an auditorium, two classrooms, study lounges for freshmen and upper-class student-athletes, a computer lab, a teaching lab, the athletic library, office space for Iowa's Academic Student Services staff and a display area to recognize the academic accomplishments of Iowa's student-athletes.

When a student-athlete considers their future, they should consider prospects beyond their sport. they should consider where they want to be five, ten, fifteen years from today, and the best course of action for getting there. Also, they should decide early on to commit to excellence in every challenge undertaken.

Without a doubt, the men and women listed here took time to consider their future and the ways to get there. These former University of Iowa undergraduates have gone on to become leaders in their chosen fields. They also pursued their academic studies as strongly as the Iowa Hawkeyes go after a loose ball or rebound.

THE HAWKEYE **NICKNAME**

The University of Iowa borrowed its athletic nickname from the state of Iowa many years ago. The name Hawkeye was originally the name of the hero in the fictional novel, The Last of the Mohicans, written by James Fenimore Cooper. Cooper had the Delaware Indians bestow the name on a white scout who lived with them.

In 1838, 12 years after the book was published, people in the territory of Iowa acquired the nickname, chiefly through the efforts of Judge David Rorer of Burlington and James Edwards of Fort Madison.

Edwards, editor of the Fort Madison Patriot, moved his paper to Burlington in 1843 and renamed it the Burlington Hawkeye. The two men continued their campaign to popularize the name, and territorial officials eventually gave it their formal approval.
Herky The Hawkeye

The Hawkeye nickname gained a tangible symbol in 1948 when a cartoon character, later to be named Herky the Hawkeye was hatched. The creator was Richard Spencer III, instructor of journalism at Iowa.

The impish Hawk was an immediate hit and acquired a name through a statewide contest staged by the athletic department. John Franklin, a Belle Plaine alumnus, was the man who suggested Herky.

Since his birth more than 45 years ago, Herky has symbolized Iowa athletics and epitomized University life. He even donned a military uniform during the Korean War and became the insignia of the 124th Fighter Squadron.

During the mid-1950s, Herky came to life at a football game as the Iowa mascot. Since that time, Herky has been a familiar figure at Iowa athletics events.
